Primary Name: 1: Jose Adelino Ornelas Ferreira **Primary Name Variations:** 1: Major General Jose Adelino Ornela Ferreira 2: Jose Adelino Ornellas Ferreira 3: Jose Adelino Ornella Ferreira 4: Jose Adelino Ornellas Ferreira **Position:** hief of Staff of the Commander in Chief of the Venezuelan Armed Forces, Deputy Minister of Monitoring and Inspection of Government Administration, Secretary General of the National Defence Council (SECODENA), Former Second-in-Command of CEOFANB, Former Chief of Staff of CEOFANB **Address:** Venezuela **D.O.B:** 14/12/1964 **Place of Birth:** 1: Caracas, Distrito Capital, Venezuela **Nationality(/ies):** Venezuela **National Identifier Number:** V-7087964 **Non Latin Names:** 1: José Adelino Ornelas Ferreira **Gender:** Male **Sanctions Imposed:** Asset freeze, Travel Ban **UK Statement of Reasons:** Chief of Staff of the Commander-in-Chief FANB, Deputy Minister of Monitoring and Inspection of Government Administration, and Secretary General of the National Defence Council (SECODENA). José Adelino Ornelas Ferreira has been Second in Command and Chief of Staff of Strategic Command Operations of the Bolivarian National Armed Forces (CEOFANB) since June 2017, having been appointed to the post by Nicolas Maduro. The CEOFANB is the highest point of command in the Venezuelan armed forces. The CEOFANB sets the strategic direction of all strands of the Venezuelan military (Army, Navy, Air Force, and National Guard (GNB)), co-ordinates them, and implements operations. Since September 2020, Ornelas has been the Chief of the General Staff to the Commander in Chief. There is reliable evidence that the GNB has committed serious human rights violations during Ferreira's period in charge. A report by OHCHR in 2018 documents incidents of people deprived of their liberty and subjected to cruel, inhuman and degrading treatment and (in many cases possibly) torture, reportedly carried out in part by the GNB. Some of these incidents occurred in the period that Ferreira has held the position of Commander of the CEOFANB. As a commander of the CEOFANB, and Chief of Staff to the Commander in Chief and Strategic Command Operations, and thus in charge of the GNB, there are reasonable grounds to suspect that Ferreira was involved in those acts. There is reliable evidence that the GNB used excessive force against people in the Pemon territory in February 2019, including killing three people, and carried out extrajudicial killings of an alleged terrorist group in El Junquito, Caracas. As a CEOFANB Commander and Chief of Staff at the time, there are reasonable grounds to suspect that Ferreira was involved in those grave human rights violations. Finally, there is reliable evidence that In May 2019 members of the Venezuelan National Guard (GNB), which sits under the command of the CEOFANB, during Ferreira's time in role, used tear gas to disperse a march of opposition supporters. Due to his role, Ferreira is partially responsible for this repression of civil society and violation of freedom of expression. **Designation Source:** UK **Date Designated:** 31/12/2020 **Last Updated:** 25/01/2022 **Unique Id:** VEN0026 **OFSI Group ID:** 13841

Primary Name: 1: Farik Karin Mora Salcedo **Position:** Prosecutor **Place of Birth:** 1: Venezuela **Nationality(/ies):** Venezuela **National Identifier Number:** V-8608523 **Gender:** Male **Sanctions Imposed:** Asset freeze, Travel Ban **UK Statement of Reasons:** There are reasonable grounds to suspect that Venezuelan Prosecutor Farik Karin Mora Salcedo has engaged in conduct relevant to a listing under the following criteria: (a) natural persons responsible for serious human rights violations or abuses or the repression of civil society and democratic opposition in Venezuela. (b) natural persons whose action, policies or activities otherwise undermine democracy or the rule of law in Venezuela. There is reliable evidence that Mora is directly responsible for issuing the arbitrary arrests of Parliamentarians, with Parliamentary Immunity. There is a considerable amount of diverse evidence reporting Mora as the prosecutor for at least four people with Parliamentary Immunity – Requesens, Borges, Alban, and Marrero, making him responsible by virtue of his position for undermining democracy and the rule of law, and repressing democratic opposition. Mora was the prosecutor for the case of Fernando Alban, where the defendant died under suspicious circumstances. There is reliable evidence that Mora participated in Alban's autopsy, saw visible signs of torture, and announced an incorrect cause of death to cover this up. According to multiple allegations, some first-hand accounts, he has been witness to the torture of multiple prisoners, some of whom he was prosecutor for. There are thus reasonable grounds to suspect that Mora consented or acquiesced to such acts, and therefore bears responsibility for the serious human rights violation of torture. **Designation Source:** UK **Date Designated:** 31/12/2020 **Last Updated:** 18/12/2021 **Unique Id:** VEN0032 **OFSI Group ID:** 13847

Primary Name: 1: Luis Eduardo Parra Rivero **Position:** National Assembly Deputy, Vice President of the National Assembly's Permanent Commission on the Environment, Former Deputy of the democratically elected National Assembly of 2015 **D.O.B:** 07/07/1978 **Place of Birth:** 1: Venezuela **Nationality(/ies):** Venezuela **National Identifier Number:** V-14211633 **Gender:** Male **Sanctions Imposed:** Asset freeze, Travel Ban **UK Statement of Reasons:** Luis Parra Rivero is a National Assembly

Deputy (2021-2025) having been re-elected on 6 December 2020 in undemocratic parliamentary elections not recognised as free and fair by the UK. He was appointed Vice President of the National Assembly's Permanent Commission on the Environment in January 2021. Parra Rivero had previously served as a National Assembly Deputy for the period 2016-2020. There are reasonable grounds to suspect that Parra has been involved in undermining democracy in Venezuela by attempting to take office as NA President on 5 January 2020 under an illegitimate process. The evidence indicates that Parra did not have the quorum for a session, the session was not moderated by the previous President of the National Assembly, and security forces blocked access to MPs that tried to enter the NA to participate in elections for a new National Assembly board. There are also reasonable grounds to suspect that Parra was involved with Operation Alacran, a scandal in which MPs were bribed, intimidated and coerced by the regime (or deputies co-opted by the regime) to not vote for opposition figurehead Juan Guaidó. There are lastly reasonable grounds to suspect that Parra has been involved in undermining democracy and the rule of law in Venezuela through his involvement in a corruption scandal related to the regime's Committee of Supply and Demand (CLAP). There are also reasonable grounds to suspect that Parra is associated with a person who is involved in undermining democracy in Venezuela (Nicolas Maduro), through aiding Maduro's attacks on and attempts to control the National Assembly. **Designation Source:** UK **Date Designated:** 31/12/2020 **Last Updated:** 25/01/2022 **Unique Id:** VEN0034 **OFSI Group ID:** 13849

There are also reasonable grounds to suspect that Duarte has been acting on behalf of, or at the direction of, a person (Nicolas Maduro) who is involved in repression of political opposition and other actions, policies, or activities which undermine democracy in Venezuela, by enabling him to attack and control the democratically elected National Assembly. There are lastly reasonable grounds to suspect that Duarte is a member of, or associated with, persons who have been involved with the repression of democratic opposition and other actions, policies, and activities which undermined democracy in Venezuela due to his involvement in Operation Alacran. **Designation Source:** UK **Date Designated:** 31/12/2020 **Last Updated:** 18/12/2021 **Unique Id:** VEN0035 **OFSI Group ID:** 13850
